

## Homework #4 Chapter 9 and 10

This assignment is due at the beginning of the class on Friday, October 31. Please write neatly or type your answers on your own paper. You will be graded mostly for completeness, but selected problems will be graded for correctness. All of these exercises are taken from our textbook “Concepts of Programming Languages, Sixth Edition.”

### Chapter 9

- 1) Problem Set #1, p. 394
- 2) Problem Set #5, p. 395
- 3) Problem Set #7, p. 395

### Chapter 10

- 4) Review Question #5, p. 423
- 5) Problem Set #2, p. 424
